

Empire Zones Program Assistance

Freed Maxick & Battaglia, CPAs, PC (FMB) is available to assist your business in obtaining the various tax and financial benefits offered by the Empire Zones program. Currently, FMB has consulted with over hundreds of businesses in Western New York as to Empire Zones benefits.

Consulting with professionals who specialize in the Empire Zones program could prove the difference between receiving benefits or not. FMB is the foremost leader in this area of the Tax Law. Familiarity and expertise with this program has been a factor in identifying millions of dollars of benefits that were overlooked by eligible businesses. The application process and obtaining benefits can be simple when prepared by experienced professionals.

Our fees are specific to each engagement and are determined after an initial consultation meeting.

FMB offers the following services:

- Initial consultation regarding Empire Zones program benefits and optimal timing of certification
- Preparation of tax credit projections
- Preparation of the application for Empire Zone certification
- Preparation of the application for sales and use tax exemption
- Preparation of the annual tax forms required to claim the various tax credits
- Annual determination of eligibility for the various tax credits and sales and use tax exemption
- Strategic planning to enhance access to specific Empire Zone benefits
- Consultation regarding the other financial incentives provided by the Empire Zones program.
